

Have you had a prior or continuing representation in other matters of one or more of the clients you propose to represent, and is there a relationship between those other matter(s) and the proceeding for which you seek admission?

I and other lawyers at my firm have represented other state chapters of the Alliance for Retired Americans in litigation across the country where the state chapter has sought to protect its members' voting rights.

Do you have any special experience, expertise, or other factor that you believe makes it particularly desirable that you be permitted to represent the client(s) you propose to represent in this case?

I have prior experience in litigation involving the precise issue that is before this court in this case—namely, whether an extended ballot receipt deadline is pre-empted or violates the constitution. I also have extensive experience litigating election-related matters in general, in federal and state courts across the country.
